

Barlow Vineyards

2004 Cabernet Sauvignon

WINERY:

Barlow Vineyards is a 50 acre estate founded in 1994, located between Calistoga and St. Helena at the upper end of the Napa valley in an area well known for producing intense red wines.

Since 1997 they have made larger quantities of wine exclusively from these lyre-trellised, down-slope vineyards fruit and are approaching their goal of 2000 cases per year. The vineyard has its own Napa valley microclimate, with characteristics of warm days and cool nights plus good wind protection. As the vineyard reaches maturity, so do the wines it produces. Their fine wine maker, Corey Beck, is a graduate of the enology program at UC Davis and has hands on experience with many of the finer wineries in the Napa valley.

DESCRIPTION:

The 2004 Estate Cabernet Sauvignon delivers enticing aromas of cola and cherry before revealing dark, rich berries, cassis, and black cherries, which is typical of fruit grown on our Estate. Well seasoned for 24 months in new and used French oak, the tannins have a delightfully velvet-like texture, partly because of the barrel aging but also from the incredible ripeness achieved this vintage.

PRODUCTION:

Approx. 600 cases

COOPERAGE:

20 months in French oak barrels

ANALYSIS

Alcohol 15.2%, pH 3.76, TA .60gm/100mL
