

# 2004 Double Down Syrah

## WINERY:

Roger Wisted invented "California Blackjack" and established and grew the Blackjack Ranch Winery on the royalties starting in 1996. Using the finest location, rootstock and winemaking techniques he produces excellent wines that are well regarded by Robert Parker and many High Rollers. The winery appeared in the movie "Sideways" because the film director is a fan of these wines.

## DESCRIPTION:

Preceded by 90+ Robert Parker scores, this crowd pleaser features purplish black color. Rhone like. Incredibly ripe, rich, and bright fruit. Collaboration of blackberries, blueberries, crème de cassis, and violets. Generous wine, juicy, smoky, earthy, jubilant and just plain fun. A hedonistic turn-on at a reasonable price. Always one of their most popular wines. Beautifully integrated Remond French Oak. Roger thinks this may be the most concentrated and rich version of this popular wine so far.
