Los Morros

The name LOS MORROS, or “the hills”, comes from the rolling hills of vineyards that run alongside winemaker Miguel Besoain’s family home in Maipo Valley. These vineyards continue south, through the central valley of Chile — from this special mountainous terroir, Miguel produces hand-crafted wines using only the highest quality grapes. Miguel’s winemaking style stems from his vast experience working throughout European wine regions producing expressive, young and playful wines with excellent varietal tipicity.

Winemaker and Owner: MIGUEL BESOAIN

After graduating from The University of Burgundy, France, Miguel Besoain spent 10 years working on vineyards throughout France and Germany. In 2010, he returned to Chile with his family to pursue a life-long dream of producing his own wines — combining his European winemaking style with Chilean’s new world terroir.
