

David Girard Vineyards

2004 Mourvedre

WINERY:

Located at 1300 feet, this beautiful 85 acre vineyard property bears mature fruit native to the great Rhone Valley. With these extraordinary grapes and winemaking expertise, David Girard Vineyards is dedicated to producing finely balanced wines reminiscent of those found in the Rhone valley of Southern France.

DESCRIPTION:

The first David Girard production of 100% Mourvedre brings new flavors to the bar and demands an introduction. The initial mouth feel of velvet and satin ribbons is followed by a chalky earth character, traditionally found in this key Rhone varietal. The long, full finish leaves the mark of a classic fine wine.
