

# CESCONI

## 2005 Moratèl

### WINERY

The Cesconi family has farmed and lived on current property above Trento for over 100 years, nearly all of this time growing grapes. However, it was not until 1995 that they bottled with their own label. The decision was not haphazard. The four Cesconi brothers - at that time between 18 and 30 - and their father Paolo, were all prepared to pull out of the cooperative at Lavis and go their own way. Success came quickly, with several Tre Bicchieri awards from Italy's Gambero Rosso, a feature article in Decanter magazine stating Cesconi as one of the top five boutique wineries of Italy's future, and a selection as the producer of Italy's finest Pinot Grigio by Burton Anderson, in his Top Wines of Italy. Cesconi stands alone as the premier boutique winery of the Trentino..

### DESCRIPTION:

Moratèl's color is deep ruby red with purple reflections of youth. The aroma has considerable complexity, with notes of wild cherry, raspberry, blackcurrant. The palate is soft and pleasing, while bringing the character tannic typical clay soil. As the wine opens up it acquires softness and more complexity.
