

Tres Sabores

2008 ¿Por Qué No?

WINERY:	This small, family-owned ranch, on the western Rutherford Benchland of California's Napa Valley, grows organically certified Zinfandel, Cabernet, Petite Syrah and Petit Verdot grapes, olives, Meyer lemons and exotic pomegranate cultivars. The single-vineyard wines include Tres Sabores estate Zinfandel, Cabernet Sauvignon and Sauvignon Blanc from the Farina Vineyard of Sonoma Mountain. Tres Sabores means "Three Flavors" in Spanish, and, in each wine, you'll find three equally savory, yet distinct tastes: the Terroir, or flavor embodied by the unique location of our ranch; the vine, or distinct character of the grape variety; and the Artisan, or winemaker's personal contribution of style and intuition. When appropriately balanced, these flavors result in wines with intense, yet delicate, aromas and a structure that supports both long-term aging and immediate enjoyment. As stewards of the land, Tres Sabores is devoted to exploring the character of the grapes grown and producing wines that truly reflect the "voice" of the vineyard.
DESCRIPTION:	Rich and spicy this wine is everyone's favorite for a party with pizza, or a picnic, BBQ and bistro wine thanks to the spirited joy it brings to the palate. The somewhat unconventional blend lends it an exotic charm where Old world meets new world in a zesty, fruity, really tasty wine. The best of the rest of the Estate cellar wines, gives you even more of an excuse to try it. ¿POR QUÉ NO?!! WHY NOT?
SOURCE:	60% Napa County, 25% Sonoma County, 9% Lake County
BLEND:	52% Zinfandel, 32% Cabernet Sauvignon, 15% Petite Sirah, 1% Petit Verdot
WINEMAKING:	Grapes build their concentration and flavor all summer and then go to the cellar for a private party - having a great time!
COOPERAGE:	Each lot was fermented in one-ton bins. A few lots were allowed to ferment spontaneously (a process this vineyard loves). All of the wine was aged for 19 months in 40% new oak. 90% of the barrels are French, 10% American.
PRODUCTION:	1000 cases
ANALYSIS:	Alcohol by volume 14.7%
